# Hire Purchase

HP

## How it Works

Hire Purchase (HP) could help you buy your dream car whilst spreading the cost.

You'll agree an initial deposit, your agreement term and your monthly repayments with the dealer.

Your deposit is taken from the price of the car.

You'll then pay the remaining balance plus interest in equal monthly repayments over the agreed term.

Suzuki Finance buys the car on your behalf and owns the car for the duration of the finance agreement.

After you've made all the repayments including any interest, you will become the owner of the vehicle.

## Choose your car

The maximum age of the vehicle at the end of the agreement is typically 14 years. Minimum and maximum finance amounts may apply.

<b>Flexible Deposit Options</b> £0 deposit may be available.	<b>Fixed Interest Rate &amp; Monthly Repayments</b> You'll make equal monthly repayments with a fixed interest rate, over your chosen period of 1-5 years.	<b>End of Agreement</b> You will own the car after all the repayments including interest have been paid.  A purchase fee of £10 is included within your final repayment.

# What Else You Need To Know

HP

## Your Rights (Agreements regulated by the Consumer Credit Act)

**Right of Withdrawal:** You can change your mind and withdraw from the agreement without giving any reason during the first 14 days after you receive the executed copy of your agreement. This will bring the finance agreement to an end, but it does not automatically mean you can pull out of buying the vehicle or any insurance products/extras. If you withdraw, you must pay us the total amount of credit we are lending you for the vehicle and any insurance products/extras and interest on it within 30 days.

**Voluntary Termination:** You have the right to end the agreement early and return the vehicle to us. If you do this, you need to pay us all repayments that have fallen due up to the time of termination. If at the point that you terminate, the amount you have paid for the vehicle (including the deposit) is less than half the total amount payable for the vehicle you will also need to make an additional payment to bring the amount up to this sum. You will also need to pay:

- the outstanding balance less any rebate of charges due for any insurance products/extras and
- any charges that may apply if you have not kept the vehicle in good repair or if you have exceeded the agreed maximum mileage allowance.

**Satisfactory Quality Rights:** You have rights against the lender if the vehicle is not of a satisfactory quality. If you experience problems with the vehicle, we will work with the dealer to resolve your concerns.

**Early Settlement:** You can pay off your agreement in full at any time. Just contact us and we will tell you what you need to pay and by when. You may even get a rebate of some of your interest. Where applicable, the interest is calculated up-front and added to the balance at the start of your agreement. Whilst you pay an equal repayment amount each month, the amount of interest that you pay each month reduces over the life of the agreement so this will impact the level of rebate that you receive.

## Eligibility Criteria

### Age/Location

You must be at least 18 years old and a permanent UK resident.

### Insurance

You must have fully comprehensive insurance which you'll need to arrange yourself.

### Driving Licence

You must have the relevant driving licence for the vehicle.

## Important Things to Consider

### Vehicle Information

The dealer should disclose to you information that is material for you to make an informed decision, such as information that might affect the price, condition and/or value of the vehicle. Please ask your dealer for any specific information that you need about the vehicle to make an informed decision and check the V5C to ensure that you are comfortable with the information recorded.

### Commission

Dealers typically receive commission or other benefits for introducing you to us. If you request, they must tell you, in good time before you enter into the credit agreement, the amount of any commission payable.

### How information is recorded

Details of your credit agreement will be recorded with credit reference agencies. Hire Purchase agreements are recorded as unsecured lending products in line with industry practice.

### Relevant Financial Institutions

Suzuki Finance is a trading style of Suzuki Finance Ltd which is part of Lloyds Banking Group's ring fenced bank. This means we cannot enter into agreements with certain types of financial institutions, for example, banks or businesses that deal in certain investments. If you are a financial institution and you think that you cannot enter into agreements with a retail ring-fenced bank, you must tell us so that we can determine your status.

HP

**The vehicle is at risk of repossession if you do not maintain contractual repayments**

# Personal Contract Purchase

PCP

## How it Works

**Personal Contract Purchase (PCP) can help you to buy your dream car with lower monthly repayments than a hire purchase product as a large proportion of the amount you repay is deferred into an optional final repayment. You will pay more interest on a PCP agreement than a HP agreement for the same loan amount, term and APR\* as your balance reduces more slowly due to the optional final repayment.**

Agree an initial deposit and term with the dealer and decide how many miles you'll travel each year.

The dealer will then work out the monthly repayment amount and the optional final repayment amount, which is based on the anticipated value of the vehicle at the end of the agreement.

At the end of your agreement, you can part exchange the vehicle, return the vehicle (return conditions apply) or pay the optional final repayment and own the vehicle.

Suzuki Finance buys the car on your behalf and owns the car for the duration of the finance agreement.

After you've made all the repayments including the optional final repayment and any interest, you will become the owner of the vehicle.

\*Annual Percentage Rate of Charge (APR) – This is the total cost expressed as an annual percentage of the total amount of credit. The APR is there to help you compare different offers.

## Choose your car and decide your annual mileage

Decide your annual mileage, up to 24,000 a year. The annual mileage selected will affect your monthly repayments and the optional final repayment amount. Make sure you select a realistic mileage allowance otherwise excess mileage charges may be incurred if you exceed the agreed mileage and return the vehicle to us.

### Flexible Deposit Options

£0 deposit may be available.

### Fixed Interest Rate & Monthly Repayments

You'll make equal monthly repayments with a fixed interest rate over your chosen period of 1-4 years.

### End of Agreement

Choose to either part exchange, return the vehicle or pay the optional final repayment to own the vehicle.

The maximum age of the vehicle at the end of the agreement is typically 7 years. Minimum and maximum finance amounts may apply.

## End of Agreement Options

### Part Exchange

Subject to paying off your existing agreement in full, you can part exchange the vehicle at the end of the term or any time during the agreement. New credit agreements are subject to status.

The vehicle could be worth less than the optional final repayment leaving you with a shortfall to pay before starting a new agreement.

### Return

You have the option to return the vehicle at the end of your agreement.

To avoid incurring charges, the vehicle needs to be in good condition and within the permitted maximum mileage.

### Own

Own the vehicle outright by paying the optional final repayment. A purchase fee of £10 is included.
